DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: The closest prior art of record, namely the Carleton reference, teaches a foldable blank for forming a smoking pipe comprising panels which enable the formation of a pipe having a bowl, a hollow stem, and an attached perforated screen. However, said art neither teaches nor reasonably suggests a unitary blank made of metal which comprises multiple flat panels which form a bowl; and comprises an additional stem panel which has holes formed therein to create a perforated screen. Therefore, the claims are allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
